Bank Tech Summit 2018

The Strategic Technology Event for Community Bankers

Who Should Attend?

Bank Tech

2018

Will traditional banks be disrupted out of business due to fintech challengers? Is cybersecurity risk being mitigated properly? Are bankers asking the right questions regarding their vendors? As an industry, have we forgotten how important people are to the customer experience equation? Are brick-and-mortar branches dead? Get the answers to these questions and more at Bank Tech Summit 2018.

Reliable sources of information are becoming harder to find in our world. This is especially true in the banking industry where bankers are being bombarded with new information on fintechs, cybersecurity, payments, vendor management, big data, and a host of other topics. Breaking down this flood of information and considering an effective strategy for success is getting more difficult for bankers. This is where we can help! **Bank Tech Summit 2018** will point you and your bank in the right direction and help you chart a course for 2019 and beyond!

Bankers, industry providers, thought leaders, and tech innovators, all representing some of the best minds in banking today, will gather **November 13-15**, at the [The Peabody Memphis](#) in *Memphis, Tennessee*. Come prepared to learn about the latest trends and best practices that will change your bank forever.

Enjoy a mix of high-energy speakers and fast-paced sessions in a collegial, comfortable environment, where the exchange of knowledge will be flowing freely.

For the past 12 years, we have hosted this invitation-only, exclusive event where bankers can come together to learn, network, and have fun while winning cool tech prizes and enjoying the grandeur of the historic Peabody Hotel and the music and food of Memphis, *home of the blues and the birthplace of rock and roll*.

We are grateful for our friends in the industry that come together each year to share their knowledge and help our clients and friends map out a strategy for success in their banks and their careers. Thank you for being part of **Bank Tech Summit 2018**, the strategic event for bankers and the catalyst for your bank's future.

Sincerely,

Money Back Guarantee. If you are not 100% satisfied with our event, we will refund your registration fee - no questions asked.

CONFERENCE HIGHLIGHTS

Each day we will break to give our guests an opportunity to watch the Peabody Duck March, a tradition that began in the 1930's.

Participant Feedback

What's the buzz about Bank Tech?

“Just wanted to tell you how much our team enjoyed the entire conference...not a bad speaker, everything was top notch. I truly appreciate the opportunity to be there! Again...your team was amazing.”

“I loved the conference format!”

“We enjoyed meeting your staff and attending the conference.”

“Possibly the first time I've been to a conference where ALL presentations/speakers had value and were interesting.”

“Always one of the best organized and thought-out conferences.”

“This is a great conference and you all pay attention to the small details for attendees.”

“I appreciate the invitation and thoroughly enjoyed getting to know Sawyers & Jacobs and staff. The presentations were very relevant to the attendees and provided good topics and building blocks to take back and put into action.”

“I found that the current and expected trends of the Summit the most interesting and valuable!”

“Overall a well-rounded tech conference.”

“Very comfortable setting. I'm glad you didn't do breakout sessions this year. Love this format.”

"Love the Duck Breaks. I thought that was fun and I loved that y'all let someone at the conference participate as the Duck Master. Good food. GREAT LOCATION! I want to come back and attend ALL days. I have attended a lot of seminars and this is one of the best I have attended because topics were relevant, games & give-aways are fun, speakers were good, location & food were good & format was good. I liked the cybersecurity risk assessment."
